THE TUCKER

DIAMOND RIDGE · DIAMOND VALLEY, ALBERTA

A Valmont Custom Homes Original

Every model at Valmont Custom Homes carries the name of a horse raised right here in Diamond Valley, on the ranch of our community's developer, Don Beaton. **The Tucker** *is named for one of his own — a small tribute to the land this community is built on, and the western heritage that still runs through it.*

WHY VALMONT CUSTOM HOMES

We're a design-led builder — every plan, elevation, and finish is developed by our own in-house team, never borrowed from a catalog or outsourced to someone else. What we draw is what we build, so nothing is lost between the vision and the home you move into.

DIAMOND RIDGE, DIAMOND VALLEY

Set on Alberta's storied Cowboy Trail, thirty minutes south of Calgary, where the foothills meet the prairie and the Rockies rise on the horizon. Western heritage, small-town streets, and neighbours who still wave from the porch.
